

WHO WE ARE?

For over 25 years, we have been designing tailored automation **solutions** for industrial processes.

Our highly **skilled team** specializes in programming, maintenance, and **optimization** of systems, ensuring **maximum efficiency** and productivity for your operations.

OUR CULTURE

Mission

Offering Engineering Solutions

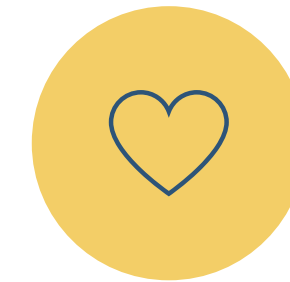

We create innovative and efficient engineering solutions customized to drive our clients' success and generate long-term value

Vision

Transformation

Being our clients' strategic partner, driving their growth through engineering solutions that exceed expectations and transform market challenges into innovative solutions

Values

- **Productivity:** Delivering high-quality work in a timely manner.
- **Integrity:** Acting with honesty and transparency
- **Commitment:** Committing our full capabilities to deliver exceptional outcomes.
- **Quality:** Pursuing excellence in all that we do.
- **Innovation:** Tailoring our solutions to fit our clients' specific requirements.

DIRECT AND INDIRECT CLIENTS

OUR SERVICES

- ✓ Maintenance and support for numerical control machinery and assembly lines
- ✓ Fault finding and resolution
- ✓ PLC programming and modifications
- ✓ Control panels
- ✓ CNC
- ✓ Drives
- ✓ Variable speed drives
- ✓ Robot Fanuc, KUKA, ABB
- ✓ Data recovery
- ✓ Machinery and production line equipment integration
- ✓ Tailored cell design and build
- ✓ Electrical panel design and manufacturing
- ✓ Mechanical maintenance and repairs

Quality Service

SOFTWARES

SIEMENS

- ✓ Sinumerik 840D pl/sl
- ✓ Sinumerik One
- ✓ Step 5 Siemens
- ✓ Micro Win S7-200
- ✓ Simatic S7-300 S7-400
- ✓ ProTool Siemens
- ✓ WinCC Flexible
- ✓ DriveMonitor
- ✓ Simotion Scout
- ✓ Starter
- ✓ TIA PORTAL S7-1200 S7-1500

Allen-Bradley

- ✓ RSLogix 500
- ✓ RSLogix5000

- ✓ DriveTop

QUALITY POLICY

At **PADIAN**, we are committed to customer satisfaction by providing innovative, high-quality engineering solutions that meet and exceed our clients' requirements.

To achieve this, we focus on:

Customer Satisfaction: Understanding and fulfilling our customers' needs and expectations.

Continuous Improvement: Innovating our processes, products, and services.

Personnel Development: Investing in our employees' growth and development to enhance their skills and capabilities.

Supplier Partnerships: Establishing collaborative relationships with our suppliers and ensuring the quality of the materials they provide.

Compliance: Adhering to all applicable laws, regulations, and standards related to our activities.
